ORDER

22 CV 10357 (VB)

20 CR 517-3 (VB)

On August 25, 2023, petitioner filed a reply (which is dated August 8, 2023) in connection with his Section 2255 motion. The reply will be separately docketed.

Because the reply makes additional arguments beyond those made in the initial motion, the Court would benefit from a further response from the government. Also, the reply appears to make an argument for a reduction of sentence under 18 U.S.C. § 3582(c)(1)(A)(i), commonly referred to as a “compassionate release motion.”

Accordingly, by September 28, 2023, the government shall file a response to petitioner’s reply, including a response to what appears to be a compassionate release motion. Upon receipt of the government’s response, the Court will decide whether it requires any further submission from petitioner.

Chambers will mail a copy of this Order to petitioner at the following address:
